Vitamin C (Ascorbic Acid) — Ingredient Specification

1. Ingredient Identification

Supplier: Example Nutrition Ingredients Pvt. Ltd.
Ingredient Code: NPA-VITC-001
Ingredient Category: Nutrient / Food Ingredient
Purpose: Nutrient fortification
Physical Form: White crystalline powder
Intended Application: Food and beverage formulation

2. Technical Specification

Parameter	Specification Standard / Demo Value
Appearance	White to off-white crystalline powder
Assay	≥ 99.0%
Moisture	≤ 0.5%
Solubility	Soluble in water
Storage Condition	Cool, dry place; protect from moisture
Allergen Information	No intentionally added major allergens declared

3. Storage and Handling

Store in original tightly sealed containers in a cool, dry place; protect from moisture.

4. Allergen Information

No intentionally added major allergens declared in this fictional specification.

5. Documentation Status

Supplier specification available. Batch-specific Certificate of Analysis is NOT included.
